April 21, 2021

Dear Parents/Guardians,

Thank you for your interest in enrolling your child in the OLPH Summer School program. Classes will begin on Monday, June 21 through July 30th 2021. There will be **no school on Monday, 5th of July** in observance of Independence Day. Summer school hours are 8:00 am – 12:30pm.

We are very excited and eager to offer an opportunity for enhancing your child's learning. The teachers who will be working with your child this summer are Ms. Garcia (Incoming Kinder and 1st grade), Ms. Hilton (Second-Third Grade), and Miss Gonzalez (4th-6th grade). Each teacher will provide a learning environment that will promote a positive experience for your child.

The summer curriculum offers enrichment classes in the subject areas of Religion, Math, Language Arts (particularly writing and reading). Reading comprehension and phonics will also be emphasized as well as reinforcement in mathematic concepts for your child's grade level. The summer school program is designed to build academic skills in an informal social setting.

Due to the number of inquiries for enrollment in the summer school program, it is important that all the attached forms be returned to the school office as soon as possible. There is limited space available and placement for the program will be on a first come-first-serve basis.

Thank you again for your inquiry. We look forward to hearing from you and serving your child this summer.

Sincerely yours in Christ,

Mrs. Rodriguez
Summer School Coordinator
