Dear Prospective OLPH Family,

Thank you for your interest in Our Lady of Perpetual Help Catholic School, we appreciate the time you have taken to learn more about us and thank you for considering our school for your student's educational needs. As a parent of three, I myself understand the importance of finding the best school for your child.

OLPH has been serving the community for 73 years and we remain committed to providing all our students a rigorous faith-based academic program. We are aligned with both our Diocesan standards and California state standards, which includes Common Core in English Language Arts and Mathematics. Our Lady of Perpetual Help is an Accredited WASC approved school with high academic expectations. Our graduates often enter honors courses in high school and graduate in the top 10% at their local high schools. Our students go on to pursue and graduate from colleges and universities. We are proud of our graduates and how OLPH has been a foundation for them.

We pride ourselves on educating the whole student academically, spiritually and focus on their social well-being by creating a safe, loving and student-centered learning environment. While enrolled at OLPH our Angels receive:

- Christ-centered environment emphasizing the integrity and value of each student
- Catholic faith fostered in the classroom daily with prayer, at weekly Liturgy, various prayer services and celebrations, and beyond into the family and community
- Catholic values of love, forgiveness and Christian service integrated into the curriculum
- Support for values and good, strong morals that lay the foundation for later life
- Rich history in region and commitment to community
- Emphasis placed on Christian service to those in need
- Support for families – education, parenting, shared friendships
- Parents who share common goals of commitment to their children and improvement in community life
- Committed to being a resource for Catholic education in a growing region

OLPH is truly a second family to everyone who attends and we value the close relationships we have with current families as well as our alumni. OLPH Faculty and staff are here to support you and your child's academic and spiritual well-being. We invite you to take a tour of our school and feel the *Angel Pride* for yourself! We hope to welcome you to our OLPH family. If you have any questions feel free to reach out.

GO ANGELS!
